Dear Editor,

I, undersigned, in my capacity as the Managing Director of "Prince Sultan Advanced Technology Research Institute" (PSATRI) at King Saud University, located at Riyadh, Saudi Arabia, hereby, authorizes our Software Developer, Mr. Hamdan Husain (email: [hnhusain@gmail.com](mailto:hnhusain@gmail.com)), to write articles related to the Institute, Managing Director and/or Executive Directors in your esteemed Wikipedia (English/Arabic).

I, also, authorize him to use/copy/attach any intellectual property (published/unpublished in any form of media) that directly or indirectly falls under the reserved rights of PSATRI, its MD or any Executive Director for the purpose of writing articles in Wikipedia.

I, hereby, also confirm that he will not compose any article but after our instruction and due approval. Please be known that no other person except him avails this permission in respect to write about our Institute, its MD or Executive Directors. For any clarification/query in this regard please, feel free to reach me through below contact details.

Thank you for your cooperation.

Yours faithfully,

Sami M. Alhumaidi (Ph.D.)
