

THE SECRETARY OF THE NAVY

The President of the United States takes pleasure in presenting the
PRESIDENTIAL UNIT CITATION to

MARINE EXPEDITIONARY BRIGADE-AFGHANISTAN

for service as set forth in the following

CITATION:

For outstanding performance in action against enemy forces from 29 May 2009 to 12 April 2010, in support of Operation ENDURING FREEDOM. Marine Expeditionary Brigade-Afghanistan conducted the most holistic counterinsurgency campaign since the Coalition presence in Afghanistan began in 2001. Operating in three separate and austere provinces that had been bereft of government efficacy for years, the Brigade constructed expeditionary bases and air fields, and struck decisively at the heart of the Taliban insurgency with Operation KHANJAR in July 2009. Cities and hamlets across the region, from Now Zad to Khan Neshin, resumed regional commerce and schooling for children, and participated in national elections. Concurrent with kinetic fighting, the Brigade engaged tribal, religious, and government leaders with population-centric civil-military operations that synchronized developmental efforts across 58,000 square miles of battle-space. In February 2010, Operation MOSHTARAK reclaimed Marjah, a strategic agricultural hub and narco-terrorist safe haven in the Helmand River Valley. Together with thousands of Afghan National Security Forces, the Brigade tangibly improved the geo-political landscape of Southwestern Afghanistan. By their outstanding courage, aggressive fighting spirit, and untiring devotion to duty, the officers, enlisted personnel, and civilian employees of Marine Expeditionary Brigade-Afghanistan reflected great credit upon themselves and upheld the highest traditions of the Marine Corps and the United States Naval Service.

For the President,

Secretary of the Navy
