

WIKIDATA LAB XXIX

ROUNDTRIPPING PROCESS

This training aims to share resources and capabilities for the integration of Wikidata with other Wikimedia projects, in particular Wikimedia Commons and Wikipedia, but also external organizations.

In this event, part of the Wikidata Lab series, there will be a presentation and a sequence of practical activities and discussions about the process of metadata roundtripping of GLAM institutions, presenting the Wiki experiences and challenges involved.

The event is aimed at training the community of editors of Wikimedia projects. The training coordination will be carried out by the wikimedians Ederporto, Fuzheado, Pharos and Susannaanas, in English.

The event will be online. Please, if you are interested in participating in the event, register on the registration page. There is no registration fee. Unlimited places.
