Celebrating Africa's Fashion on Wikipedia

Wiki Loves Africa is a competition that invites people from across Africa (and beyond) to celebrate the diversity, richness and complexity of the African continent.

Take part in the competition by taking photographs, video or audio that are related to cultural dress and fashion and uploading them to Wikimedia Commons. Images and media should show fashion and adornment that is defined by local cultural influences and can include cloth, styles, ways of wrapping and hanging, culturally defined jewellery, make-up, hairstyles, cloths and woven materials, etc. All details including how to enter is on the website. Win a Samsung Galaxy Tab S8.4, Amazon Gift Vouchers and so much more.
